

Conditions of Boarding Animals – We Love Dogs Kennel Resort

This agreement is in accordance with the requirements of the Domestic Animals Act 1994 and the Code of Practice for the operation of Boarding Establishments.

1. **All animals are to be fully vaccinated.** Current vaccinations must be shown on admission – C5 for Dogs. A surcharge will apply if we are required to contact your Vet for verification.
2. **Worming & Flea Treatment** – it is the owners responsibility to ensure your dog/s has its worming (intestinal and heartworm) and flea treatments completed prior to arrival as per your Veterinarians recommendations. Should your dog/s show signs of worms and/or fleas while in our care they will be treated and the treatment will be payable on departure.
3. **Un-desexed Dogs will be taken at the discretion of We Love Dogs (WLD) and owner must specify their dog is un-desexed on booking.** No un-desexed female Dog/s will be boarded during Peak periods.
4. WLD reserves **the right to refuse entry** of any animal.
5. **Playing and or boarding with friends** – on booking and /or arrival it is the owner's responsibility to let the WLD office team members know if you would like your dog/s to have suitable friends during their stay. For more information on this process then please ask one of our friendly team.
6. **Boarding rates are charged per calendar day.** This includes the day of arrival, day of departure and all days in between no matter what time the dog arrives or departs. The owner agrees to pay the rate for boarding in effect on the date the animal is checked into WLD. Arrivals and departures are during prescribed hours only. No out of hours arrivals and departures are available. Any outstanding accounts will be paid by the owner prior to the dog/s leaving WLD.
7. The owner acknowledges **that 24hr notice (during office hours) is to be given if picking up their animal early** to ensure that departure bath and departure procedures can be completed. WLD takes no responsibility should the bath or departure procedures not be completed due to lack of notice.
8. All **rates are based on shared accommodation** and all **fees are subject to change without notice.**
9. A **non-refundable booking deposit** is payable at the time of booking for each animal for Easter / Christmas / New Year Peak Periods.. The non-refundable amount during the **PEAK EASTER / CHRISTMAS / NEW YEAR PERIODS** will be \$200 per dog. Any refund is given at the discretion of WLD Management. **Should a refund be given then a \$50 administration fee will apply per booking.** The full period booked will be charged during the Easter, Christmas and New Year Peak Periods even if the animal is picked up early so please book your dates carefully.
10. **Outstanding accounts for animal/s being delivered home** will be processed by credit card once departure is confirmed with the owner. Payment by cheque is by prior arrangement only with WLD Management. The owner agrees to provide valid drivers license number and state issued information on arrival.
11. **Elderly Guests owners must complete a Seniors Aged Care form and understand that additional charges may apply** should their dog require higher level, constant or palliative care whilst staying at WLD.
12. **Grooming** - It is recommended that you have your dog groomed before arriving at WLD. **Guests arriving with their coat in poor condition (matting & excessive knotting) will be required to have their dog groomed when arriving at WLD.** On arrival your dogs condition will be assessed and an approximate cost will be provided for a groomer to bring your dogs coat to a suitable state for the kennel environment. While WLD provides a bath on departure this is not a clip, strip groom, trim, color or perm and as such dogs with long coats may also require the additional service of regular brushing or a full groom before departing. Please speak with our office team to ensure that your dogs grooming is attended to while they are in our care. Our intention is to ensure no dog leaves their holiday from WLD in a smelly or unacceptable condition however dogs with long and/or thick coats do require regular maintenance which is outside the boarding fees.
13. **Updates & Photos – a reasonable number of updates** can be provided over the phone, SMS, via email or through Facebook while your dog is in our care at no extra charge. **Photos of dogs are only supplied on request either on check in, K9 Kab collection or when requesting an update. Once requested a single photo will be provided per holiday stay at a time during the stay that fits in with our guests holiday program.** Any additional photos will be at a cost of \$20 per image and must be clearly requested with an acknowledgement of the charges applicable. While WLD will make all efforts to ensure the photos are to a quality standard, we are not professional photographers and photographing moving targets is a challenge. There will be no refunds if the photo images are not to your satisfaction.
14. **Long Term Boarders** - will pay monthly payments which shall be processed by credit card on the 1st of the month for the month in advance. If the animal departs before the end of the month, any remaining credit will be refunded to the credit card charged. Any changes for long term bookings should be notified immediately.
15. Under no circumstances will WLD, or any of its employees or agents, **be held responsible for any items lost, destroyed or left behind** on these premises such as toys, bedding, collars, leads, coats, food, medication etc
16. **K9 Kab Collection and Delivery Transport Service** – **all K9 Kab transports will require a person (owner, relative, friend or neighbour) to be present when the dog/s are collected and returned.** This person will then be responsible for the dogs care until the owner returns which includes but is not limited to food, water, shelter and medical attention if required. No dog/s will be returned without confirmation from the person who the dog/s will be returned to. On delivery if no one is at the location (or they do not answer the door after we attempt all avenues to contact them) the dog/s will be returned to the resort and collection or delivery will be

reorganised. Should the dog/s injure themselves in transport then they will be returned to WLD for medical treatment. The owner/person receiving the dog/s will be notified.
